**Procedure for ISRO e-Procurement client installation**

1. Download the file "ISRO_EProcClient.zip" to your computer.
2. Extract the ISRO_EprocClient.zip file to C:\ ISRO_EprocClient.
3. Double click the exe file "EProcClient_X_X_X.exe" in folder. The following window displays. Keep it open and minimised during bidding or DC enrolment.

4. A log file "EprocClient.log" will also be created in the same folder

NB: Please note that before DC enrolment or Bidding, double click the exe file "EProcClient_X_X_X.exe" in the PC and keep the window minimised.
